<p>Target 1 To increase the number of children accessing before/ after school sports clubs We will aim for</p> <p>a) 70% of all children within the school to have attended one or more before and after school sports clubs for a minimum of half a term during the course of the school year.</p> <p>b) We will aim for 90% of all children within Year 3 and Year 4 to have attended one or more before and after school sports clubs for a minimum of half a term during the course of the school year.</p> <p>c) We will aim for 60% of the children within Year 3 and Year 4 to attend a minimum of three hours PE and before/ after school sport every week throughout the year.</p>	<ol style="list-style-type: none"> 1. Review current provision in school referencing current club provision, target age groups, ability of the school to increase amount and range of provision/ cost. (Autumn Term 2015) 2. Discuss current school club sport provision with all stakeholders, i.e. School Council, staff groups, governors (Spring Term 2015) 	<ul style="list-style-type: none"> • Review of provision undertaken early in the Autumn Term 2015. Review led by School Council. Review included a particular focus on those children in Year 3 and Year 4 who hadn't accessed school sports clubs in the previous year. Children were specifically asked if there were any clubs that they would like the school to run. The review highlighted a demand for a Dance Club. • Outcomes of review were discussed with teaching staff and 1610 to establish if a Dance Club could be provided. 	No cost
	<ol style="list-style-type: none"> 3. Plan additional provision to increase after school club opportunities for children in Year 1 and Year 2 (Autumn Term 2015 and Spring Term 2016) 	<ul style="list-style-type: none"> • Continued provision started in 2014 to 2015 of Multi Skills Club (Year 2) and Fundamentals Club (Year 1) 	£250.00 per club

Impact

The following table shows the percentage of children in each year group who have attended one or more sports clubs for a **minimum of half a term during the school year 2015 to 2016**:

Year Group	% Participating in school sports clubs 2015 to 2016	% Participating in school sports clubs 2014 to 2015
Year R	50%	17%
Year 1	80%	61%
Year 2	68%	66%
Year 3	90%	92%
Year 4	100%	88%
Whole School	76%	65%
Key Stage 2	94%	89%

The year 2015 to 2016 saw a rise in the percentage of children attending a school sports club for a minimum of half a term. The main reasons for this were:

- a) The re-introduction of after-school swimming clubs in the summer term following the repair to the school swimming pool.
- b) The introduction of two Dance Clubs for the children in Key Stage 2. These clubs were attended by several children who did not attend any other sports club during the year.

Did we meet our targets?

Target	Impact
a) 70% of all children within the school to have attended one or more before and after school sports clubs for a minimum of half a term during the course of the school year. Target Met	76% of all of the children in the school attended a school sports club for a minimum of half a term during the year 2015 to 2016. This was an increase on the previous year when 65% of the children attended a sports club. The reasons for this are outlined above. Attendance in Years 3 and 4 is higher than the rest of the school. This is mainly due to the fact that the vast majority of the clubs are offered are for the children in Key Stage 2. While we are now offering at least one after school club for a term for the children in Years 1 and 2, the lack of space (we only have one hall) means that we are not able to offer any additional clubs for these year groups at other times in the year.

Target	Impact
<p>b) We will aim for 90% of the children within Year 3 and Year 4 to have attended one or more before and after school sports clubs for a minimum of half a term during the course of the school year.</p> <p>Target Met</p>	<p>94% of the children in Year 3 and Year 4 attended an after school sports club for a minimum of half a term during the year 2015 to 2016. This was an increase on the previous year when 89% of the children in Key Stage 2 attended a school sports club.</p> <p>The main reasons for such a high percentage of children in Key Stage 2 attending clubs were:</p> <ul style="list-style-type: none"> • Number clubs available through the year. • Variety of clubs provided. • Re-introduction of after school swimming clubs
<p>c) We will aim for 60% of the children within Year 3 and Year 4 to attend a minimum of 3 hours of PE and before/ after school sports clubs every week throughout the year.</p> <p>Target Met</p>	<p>66% of the children in Years 3 and 4 attended a minimum of one sports club per week throughout the school year, thus ensuring that together with PE lessons they had a three hours of PE and sport a week.</p>

	<p>5. As Schemes of work are reviewed and developed school to review PE and sport resources, identifying gaps in resourcing and planning a strategy for replacing/ supplementing current resources. (Autumn Term 2015 onwards).</p>	<p>During the course of the school year PE resources were reviewed and the PE store re-organised. A small amount of PE resources were purchased to replenish stocks.</p>	
	<p>6. Through the development of the PE and sport curriculum and the school's after school provision the school to work towards attaining the Sainsbury Games Kitemark. (June 2016 onwards)</p>	<p>Sainsbury Games Kitemark applied for on September 4th 2016</p> <p>In previous years the school has been awarded the following: 2013/ 2014 - Gold 2014/ 2015 - Gold</p>	

Impact

Curriculum Provision

- School continues to provide two hours a week of high quality PE for all year groups.
- Swimming was re-introduced in the summer of 2016 following repairs to the swimming pool. As a result in the second half of the summer term all year groups (Year 1 to 4) had two swimming lessons a week and an opportunity to attend an after school swimming club. All of the children in Year 4 left the school being able to swim at least a length of the school's pool.
- PE resources have been reviewed and where needed stocks replenished.
- In the end of year pupil surveys (Summer 2016), over 90% of children gave PE a 😊 faced rating. Only Art and DT had higher ratings.
- **The Year 3 and Year 4 Athletics scheme of Work still needs to be reviewed and updated.**

Intra and Inter School Competition

- Intra-School competition has been embedded in many of the school's clubs. We now need to build intra-school competition into some of the schemes of work at KS2, e.g. athletics.
- In 2015 to 2016 the school took part in wide range of inter-schools sports competitions (see above for list). Notable achievements in 2015 to 2016 included:
 - 3rd Place in the Rotary Club's Swimathon competition for First Schools
 - Winners of Somerset School Sports Tennis competition (West Somerset Finals)
 - 3rd Place at Somerset School Sports Tennis competition (Area Finals, Taunton)
 - Took part in Somerset School Sports Tennis Finals (County Finals, Millfield)
 - Winners of Somerset School Sports Quad Kids Athletics competition (West Somerset Finals)
 - Took part in Somerset School Sports Quad Kids Finals (County Finals, Millfield)
 - 3rd Place in Rotary Club of Minehead's Beacon to Beach Fun Run
