

Statement of Behaviour Principles

by the Governing Body of Dunster First School

The aim of this document is to provide guidance to the Headteacher in preparing, implementing and reviewing Dunster First School's Behaviour Policy

Principles

- The Policy is consistent with the school's ethos statement and values
- The Policy is clear, concise and is able to be explained to and understood by pupils of all ages
- There is agreement among pupils, staff and parents about the standards that underpin the Policy
- The Policy encourages positive behaviour with a healthy balance between rewards and sanctions
- The Policy promotes good behaviour as a means of improving learning and teaching.
