

# Dunster First School

---

*Expect the best in everything, then play your part in achieving it.*

## **Aims, Values and Ethos**

*At Dunster we are proud of our history, inspired by our local area and excited about our future. We are inspiring our pupils through an exciting and memorable curriculum. We are working in partnership with our community. Every child in our care is important, special and amazing; we take our responsibilities to them and their future seriously.*

- 1] Every child must have access to an enriched curriculum
- 2] Every child must be given the right level of support and challenge to excel
- 3] Every child must be able to learn in a kind, calm, healthy, safe and caring environment
- 4] Every child must be educated on all matters: academic, social, moral, health, spiritual, citizenship, values & ethics; developing a sense of worth and belonging in our school community
- 5] Every child must be given the opportunity to develop their learning attitudes such as critical thinking and problem solving

## **Our staff aim for our pupils to become:**
